A SLIP AT A TIME IN APRIL

In spite of the constant April Showers, the beat goes on at the waterfront as the wharf, empty just a month ago, starts to take on the look of the new season. Boats start to appear in the slips and in the harbor daily. Meanwhile at the end of Long Wharf, the lineup parade is in progress as masts are stepped by the sky hook as on our cover photo taken Saturday morning in the cold mist that has dampened our recent weekends. Hang in there, everyone the odds are surely with us.

cussed. This application will also go to the State (MFHA) for approval to receive funding to build affordable housing units in town. He noted the kit came in like a "bomb-shell" with little time to review all the material. The developer wants a meeting with the Housing Partnership Committee; however, the Committee recently sent a letter to Mr. Paul E. Cusson, President of the development corporation, saying, "Before we can discuss specific proposals the Committee feels that we must develop a better overview of our town-wide needs and development plans. Once the Committee reaches that point, you and various other developers will be notified for a meeting."

Mr. Blanchette continued, "The developer's letter detailed its plans to build between 55 to 70 condominium units with a swimming pool and clubhouse on 16.15 acres located off Park Street." He noted, however, that the site application quoted 25 buildings for a total of 100 units. He added that of that total, 30 percent would have to be

affordable housing to qualify for a grant. The developer is looking for a site approval by June 30, 1988, then plans to file with the Mattapoisett Zoning Board of Appeals for a Comprehensive Permit.

Mr. Blanchette also noted there is a discrepancy in the letter and site application in the number of units the developer plans to build, at a sale price of \$172,000. He said, "This is not my idea of affordable units". The property is owned jointly by Bruce R. Rocha, Robert A. Cattley and Barry J. Denham, and is currently assessed at \$28,900. for sale at \$1.115 million. There is presently a sales agreement to sell the site to Pleasant Street Developers Corp. pending approval of the site for the affordable housing units.

Mr. Blanchette said he checked through the extensive site application kit, and in fairness to the other seven developers that have requested to meet with the Committee, the same letter quoted earlier was sent, saying that the Committee intends to wait a while for personal interviews with developers. He noted that the Pleasant Street developer is the only one that has land available.

Selectman John DeCosta commented, "No way is this affordable housing", when Mr. Blanchette noted that \$172,000 sale price.

Mr. Blanchette expressed concern that Donald C. Wood, agent to the Board of Health, and Water/Sewer Commissioner William Nicholson had both checked the site but gave no report to his committee. Chairman Hubbard said the Housing Committee should write to each town department to notify the Committee when any information comes before them pertaining to possible development

cent of the units must be affordable in order to get state funds." Mr. Blanchette responded, "If the developer applies to MHFA, they can conceivably get funding without having to be obliged to furnish 30 percent affordable housing."

Selectmen and Mr. Blanchette discussed the guidelines for the Housing Partnership Committee to follow. It was agreed to have Town Counsel review the guidelines before the Selectmen approve them for the Committee's use.

In other business, Selectmen: APPROVED THE REQUEST of Anthony J. Dupont, representing the Mattapoisett Lions' Club, to allow the club to hold its annual Harbor Days on Friday, Saturday, and Sunday, July 15th, 16th and 17th, at Shipyard Park.

Mr. Dupont said the only change this year will be that the Strawberry Festival regularly held in June will be part of the Harbor Days events and will be held on Friday, July 15th. This will save having to block off the street and will be held in Shipyard Park. He agreed to contact Police Chief James F. Moran and Police Safety Officer

recently attended a meeting with SEMASS representatives, said, "If Mattapoissett has hazardous wastes, even so much as a bottle of nail polish, and, if it is detected at the SEMASS treatment plant in Rochester, the truck load will have to be returned to Mattapoissett. If the hauler does not have the proper license to haul hazardous wastes and is returning it back to Mattapoissett, and it is detected on the highway by the State Department of Transportation (DOT), the truck will be taken off the road."

Chairman Hubbard added that the hazardous waste here in Mattapoissett will have to be stopped first. Selectman Talty asked what is the definition of hazardous waste? Chairman Hubbard responded, saying, "Most bottles and cans have the identification 'Hazardous Waste' on them. Many of the household products, such as garden, paint, and women's beauty products are considered hazardous. The only alternative we have is to keep these hazardous products in town and pick them up and dispose of them ourselves."

**Village Court Annex
to be Dedicated**

The Mattapoissett Housing Authority is having Dedication Ceremonies for the Village Court Annex, their new barrier free housing units. The dedication will take place Friday, April 22nd, at 2 o'clock in the afternoon at 2 Acushnet Road (across the driveway from Village Court).

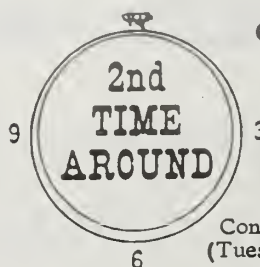

The ceremony marks a building that has been in design stages since 1982. Village Court Annex was built from the initial funding of the 1.92 million dollar grant from the Executive Office of Communities and Development and a \$197,887 grant from the Executive Office of Energy Resources, which was granted in 1979 to develop the existing 52 units. The two new units, each with one bedroom, are 100 percent barrier free. Mattapoissett is one of the first communities in the Commonwealth to offer such housing.

Perregaux, Jr. of Fairhaven. Under
the leadership of the Board, Pat

All who participated were very favorably impressed with the entire operation of Marion's Class 1 Water Department.

At the April 25th Town Meeting there will be an article requesting a large appropriation to update the Marion water system so it is very important that voters understand the complexity of the system and can vote intelligently.

Chairman Hoagland thanked the Marion Natural History Society for organizing the bus tour and for donating the funds to pay for the bus and for the D.P.W. personnel who conducted the tour.

Letters to the Editor

When I read the voter turn-out for our recent town election (56%) I was very disappointed in the eligible voters of Mattapoisett who did not feel voting was very important.

Town elections are the epitome of our democratic process in action. At what other level does voter participation have more impact than in your own home town? In town elections, political victories are

As a civics teacher I stress to my freshmen that the key to keeping our government a strong viable democracy, ruled by the people, is to take an active role and vote for the people of your choice.

It is a sad statement when 44% of the registered voters do not deem it important enough to go to the polls and reaffirm their faith in our political system by casting their vote.

of the theory that what you can't see won't hurt you. Unfortunately, the fact is that the addition of more sodium, already too high, is a health threat to anyone with high blood pressure and can be a sponsor for heart attacks. As Marion's death records already show heart failure to exceed all other causes of death, it raises the wisdom of seeking anything other than better water.

As an alternative to the "for appearance sake" proposed waste of taxpayers' money there is good water at Marion's Perry Hill well of far better quality than at any other of the town's five wells, yet it has never been brought on line. The town needs a competent water commission to develop its water management. The Marion town budget this year proposes to spend money like water, none should be wasted on poor quality water.

Girls' State is sponsored on a nationwide basis by the American Legion and provides students with the opportunity to spend a week learning about state and local government by participating in a mock government. Girls from all parts of the Commonwealth will participate and are expected to share their experiences with their communities upon their return.

Participants are selected by the high school faculty and staff. To be eligible a student must be a Mattapoisett resident who ranks in the upper third of the junior class and have demonstrated leadership and citizenship in her school and community.

Pancake Breakfast

Marion United Methodist Church is sponsoring a Pancake Breakfast on Sunday, May 1st, from 7:30 to 9:30 in the church. A variety of pancakes will be available with bacon or sausages, coffee or milk, and juice. Prices will range from \$2.75 to \$3.50.

If you do not know much
about chiropractic, you should!
Why?

Because chiropractic is the
second largest health-care pro-
fession in the U.S., and hundreds
of people are getting effective
relief for their health problems
without the use of drugs or
surgery. Chiropractic has been
successful not only with back
problems, but also with a wide
variety of health disorders.

This booklet, which appeared in
Reader's Digest as an advertising
supplement, gives you helpful
health tips.

opportunity to learn more about how their personal interests and goals are related to possible career goals. All students take the Harrington O'Shea Career Decision-Making System, an interest inventory, which gives each student helpful information about careers and directs their interest toward education or training after high school. In the second week of the program, students learn about all types of post-secondary education; on-the-job training, vocational schools, opportunities in the military, junior and community colleges and four-year colleges and universities.

This year we are inviting parents of juniors to learn more about the program taking place during the school day and about the process of choosing schools and colleges.

We invite all junior parents to attend this college information night in the high school cafeteria Thursday, May 12th, at 7:30 p.m.

participate in the Odyssey of the Mind statewide problem-solving competition. Along with one hundred teams from all over the state, they presented their long-term problem solutions and took part in spontaneous problem solving.

For three months the students worked hard on problems given to them by the Odyssey of the Mind Association. One team chose to work on the "Classics...It's Showtime" problem. They reworked the well-known story of Rumpelstiltskin adding their own creative elements, setting the story in the future and writing an original song. The other team decided to work on the "Straddle Structure" problem, and they built a weight bearing structure out of 15 grams of balsa wood and created a skit around their structure. Both teams did very well at the state meet, and the straddle structure group placed third in its division.

The fourth grade students who participated were: "It's Showtime", Meghan Carey, Heather Chu, Elizabeth Coffin, Desert Grant, and Amelia Thrall, and "Straddle Structure", Nathaniel Andrade, Brad Arruda, Abbie

Coffin, Jesse Ferguson, Jaime Kinney, Robert Mangham and Peter Richardson. The coaches were Kate Jackson, Danielle Coffin and Bobbie Thrall. The OM program was introduced to Sippican School by Principal Roseli

CHILD CARE - #1 COMMUNITY NEED

An opportunity to respond to one of the primary needs of families with young children in our area will be offered through a Child Care Licensing Workshop. It will be conducted by PACE Child Care Resource Exchange of New Bedford on Wednesday, April 27th, in the ORR Junior High Library. The workshop will offer information to individuals considering becoming licensed family child care providers. A family day care provider offers care in his/her own home. CCRE will also offer follow-up assistance to individuals who decide to pursue licensing. Come and explore this growing field. The workshop will begin at 7:00 p.m. For more information call PACE-CCRE (999-9930) or Project GROW (748-0100). This workshop is being sponsored by Project GROW, the Old Rochester Regional School District's early childhood project.

Come See Our "MINI-WONDER"!!!

With vacation time fast approaching, we can GUARANTEE you'll get better pictures than ever and you won't have to lug a ton of heavy equipment around to get them. SIGMA has introduced a pair of new zoom lenses which are going to make you re-think the way you take pictures. We now have a 28-70 macro-focusing zoom which is EXACTLY the length of a pack of cigarettes and a matching 55-200 which is a half-inch longer. Imagine....EVERYTHING from 28-200 in a space less than 7 inches long. They're sharp, they're inexpensive and they make picture-taking FUN AGAIN. For any major camera brand just \$169.00 each or buy them BOTH for \$299.00. Better hurry. These may be hard to find in June. If you own a Canon EOS or Minolta Maxxum, ask us about the new auto-focus Sigmas at BIG savings.

Affordable Housing Conference

A galaxy of important housing issues and options will be explored at a regional conference to be held at the Greater New Bedford Regional Vocational Technical High School on Saturday, May 7th, from 8:00 a.m. until 2:00 p.m. Representative Barney Frank will deliver a major address. Mel King, activist and distinguished civic leader, will keynote the day's program. Mayors John K. Bullard of New Bedford and Carlton M. Viveiros of Fall River will also be featured leaders.

Workshops will explore creative and feasible options to the multitude of problems related to the affordable housing crisis. Among those most afflicted are single parent families, the homeless, handicapped, and first time home buyers. Many of the panelists will be coming from communities and agencies which can offer constructive advice and assistance. The ten workshops will range from exploring the responsibilities of suburban and small town communi-

OFFERS YOU

OLD FASHIONED HONEST SERVICE

Your heating system needs yearly maintenance to maintain peak efficiency and eliminate needless service calls. However, a lot of people either neglect to have it done - or worse - they pay for this service but never get the heating system "cleaned."

At Mitchell's Oil & Heating we take pride in our work and we believe you notice the difference. So, if you want honest value for your dollar, call

The week of April 24-30 is 1988 Professional Secretaries Week and Professional Secretaries' Day is being celebrated on Wednesday, April 27th. Professional Secretaries Week was originated to promote education and professionalism of Secretaries and to increase public awareness of the vital role of the Secretary. Secretaries today have a "World of Opportunity" available to them. Opportunities for networking, learning, and growing in the profession are virtually limitless.

Find out more about PSI, the world's largest secretarial association, and how membership promotes professionalism by providing education and an opportunity to "network" with others in the secretarial field.

The New Bedford Chapter of PSI invites all local secretaries, administrative assistants, or anyone interested or concerned with this profession to join us on Secretaries Day April 27th at the Whaler Motor Inn for a fun evening. Our guest

TWIN COMING EVENT - CAREER DAY

For many years women have achieved excellence in their jobs, working tirelessly on behalf of their organizations or firm. Through the Tribute to Women and Industry (TWIN), the accomplishments of employed women in their workplace and community can be recognized. The women involved in TWIN are role models for girls and the increasing number of women who find it necessary to find employment.

TWIN also recognizes the employers who have encouraged women in their efforts to achieve their highest potential. The employers are honored for providing an environment conducive to the advancement of women.

TWIN began in 1984 as an extension of the New Bedford YWCA's commitment to affirmative action, which seeks to end discrimination against women, particularly in the area of employment.

TWIN's annual luncheon is the cornerstone of the program, providing the financial base for the additional programs and the public base for recognition.

CAREER OPTIONS UNLIMITED

Some girls and women need supportive services in making career choices. TWIN can provide some of these services by: participating in career awareness days or class-

Rachel Penti Lectureship

The sixth Rachel Penti Annual Lectureship will be held on May 12th from 4 to 6 p.m. in the Upper Commons of Cape Cod Community College. The sponsors are the Cape and Islands Area Nursing Education Committee and Mass. Nurses' Association District III. Nurses in every practice area are encouraged to attend.

The nationally known speaker, Joan Moss, R.N., M.S. will speak on Current Trends in Nursing Practice. Ms. Moss is Director, Division of Nursing, American Hospital Association. Her professional background includes nursing service, education, administration, professional responsibilities, and operational economics in today's nursing environment. In her upcoming address, Ms. Moss will focus on areas of particular concern for contemporary nurses and nursing; she will identify the impact of nursing

practice on cost management and address retention and recruitment methods to alleviate the nursing shortage.

In addition, the Rachel Penti

medley of Berlin favorites. An added attraction will be the first Cape Cod appearance of the Herb Pomeroy Big Band, which has been popular throughout New England for more than 25 years. The 13-piece group will feature swinging arrangements reminiscent of the big band era.

Dick Golden, host of WORC Radio Program, PM Cape Cod, will be the master of ceremonies.

Funds from the concert will go to the Jazz Society's scholarship program to aid local high school students seeking a musical education.

The concert is open to the public. Tickets can be purchased for \$15.00 at all Puritan Clothing stores, or by mail from the Jazz Society, Box 587, Dennisport, MA. 02639. For information call 398-2945.

Jelly Belly and Bobby Greene

AN EVENING OF JAZZ AT BCC

Boston's Mr. Jelly Belly and New Bedford's own Bobby Greene will perform their jazz specialities at Bristol Community College on May 7th.

Mr. Jelly Belly is one of Boston's most beloved entertainers, combining rollicking blues with smooth ballads. He has toured the country many times and cut a handful of records for the Atlantic label in the mid-fifties under the name of Big Mike Gordon. After his time on the road, he settled in Boston.

His virtuoso backup band shows that Jelly Belly's talent doesn't lie only in his music. He finds talented musicians and educates them to provide an energetic backdrop for this performing style. Jelly Belly wants his audience to leave feeling good, ready to face the world with smiles in their hearts. Critics say that he reaches that goal.

ton, B.B. King, and Lenny Bruce. They call him a "prized teacher" at the New England Conservatory of Music and Southeastern Massachusetts University. In performing, he moves from whisper soft to screeching loud and from gentle melodic runs to improvisational ones that use all the scales at his disposal, according to John Connors of the Providence Journal Bulletin. Some of his compositions serve as standards for many big bands, including the Count Basie Band.

He has performed in the U.S. and abroad at the Kongsberg and Molde, Norway Jazz Festivals during his tour of the Scandinavian countries. His composition "City Suite" premiered at Jordon Hall in Boston. Locally, he performs at private and public functions including the SMU Jazz Festival.

The evening of jazz takes place in the brick area of the Arts Center in a cabaret setting. No tickets will be sold at the door. Tickets are \$5. and are only available by calling the College at 678-2811, ext. 112.

Cooperative Extension One Day Seminar on Water

"CLEAN WATER, YOUR RIGHT
AND RESPONSIBILITY"

If you say the word "well" in a group of people, someone is bound to say "that's a deep subject". Today wells, lakes, reservoirs and the quality and quantity of our drinking water are "deep subjects" indeed. People in many towns in southeastern Massachusetts often complain about the "taste" of the water or the lack of it for outdoor use. In many Massachusetts towns the cost of water and sewerage has risen dramatically.

Understanding what environmental factors affect the quality, quantity and cost of water are some of the topics to be offered at a special one day seminar sponsored by the Plymouth County Cooperative Ex-

On April 30th from 8:30 to 3:30 p.m. the Seminar, "Clean Water, Your Right and Responsibility", will be held at the Whitman Hanson Regional High School, Route 27, Whitman-Hanson line.

Dr. Paul Erickson of New England Research, Inc. will present the keynote address: "The Quality of Our Water". Other lectures following the keynote speaker will address the factors which influence your drinking water. Did you know that wells, reservoirs and lakes can be contaminated by nitrates from septic systems, fertilizers, etc.? Nitrate contamination of drinking water is a concern because it affects human health. Excessive nitrate concentrations can cause methemoglobinemia or "blue baby syndrome" in infants. According to Pennsylvania State Water Specialist Karen Mangle, "Once a water supply becomes contaminated with nitrates, it is very difficult and costly to treat".

Pesticides, water conservation, septic systems, percolation tests, maintaining private wells, and municipal water supplies are the other topics which will be addressed on April 30th.

This program is being offered to help address the water quality concerns expressed by many people in many towns. People have asked Co-operative Extension for information regarding the testing of water or for information on "bottled waters". People are realizing that just because "water looks and tastes good",

doesn't necessarily mean that it is safe. Purity of water is not always indicated by color, taste or smell. Learning now about the many factors that influence water quality will help in determining a course of action that will insure a clean, safe, bountiful water supply for the future.

Registration for the Cooperative Extension water program will be taken at the door the day of the program, or you can pre-register and receive a program brochure by sending a postcard to: Clean Water, c/o Plymouth County Cooperative Extension, P.O. Box 658, Hanson, MA. 02341.

Cooperative Extension programs are a result of a joint partnership between County, the land-grant institution which is the University of Massachusetts in Amherst, and the United States Department of Agriculture.

Bike Safety Tips

Pedestrians and bicyclists can loom in your path anywhere, at any time of the day or night. "Be especially alert in densely populated areas. When you spot a pedestrian or cyclist in the roadway, reduce your speed and be ready to stop," advises Registrar of Motor Vehicles Robert M. Hutchinson, Jr.

April 20th in the SMU's Library Communications Center. The public is invited.

A slide show produced by Alyson Wihry and Deanna Perry, two SMU students of political science, will introduce the archives at 2 p.m. in the browsing area of the library's first floor.

SMU President John R. Brazil, Dean of Library Sciences Janet L. Freedman, and political science Professor Philip H. Melanson will then briefly discuss the importance of the archives to SMU students and faculty, and to the public as a means of preserving the historical record of a tragic period in American history.

A ribbon-cutting ceremony at the door of the archives on the 4th floor of the library will conclude the formal dedication. Exhibits of archival material, including audio and video tapes of the June 5, 1968 assassination will be open to the public. Refreshments will be served.

The dedication is sponsored by the SMU Library Associates and the SMU Alumni Association.

The RFK Assassination Archives contain books, documents, articles,

audio tapes, photos, diagrams, exhibits, and the 10,000 page transcript of the trial of Sirhan Sirhan, Kennedy's convicted assassin.

The archives also house FBI photos and negatives and 40,000 pages of newly released FBI documents; the taped interviews, transcripts and documents from the Los Angeles District Attorney's Office; and the papers of journalist Robert Blair Kaiser who wrote RFK Must Die!

Still growing as a result of information being made public under the Freedom of Information Act, the collection also contains over 5,000 indexed and catalogued newspaper clippings; selected papers from the Greg Stone - Allard K. Lowenstein collection; the papers of SMU political science Professor Philip Melanson; 700 hours of audio tape from radio coverage of the assassination, and various hearings - including witness interviews - in Los Angeles from 1968 to the present; and selected documents and interviews from the Los Angeles Police Department.

Zeiterion's Summer Musicals

1988 SIZZLIN' SUMMER OF
AMERICAN BROADWAY MUSICALS

The Zeiterion Theatre, in historic downtown New Bedford, announced its line-up of American Broadway Musicals for the coming summer, which will include GYPSY, ANYTHING GOES and 42nd STREET.

Beginning with its opening number of "Let Me Entertain You", Gypsy will open the Zeiterion's Sizzlin' Summer Season on this up-beat note. The musical is loosely based on the life of Gypsy Rose Lee, the legendary first lady of the world of burlesque. The music is by Jules Styne, lyrics by Stephen Sondheim and book by Arthur Laurents. "Gypsy" will be presented Thursday, July 7th, at 8:00 p.m., Friday, July 8th, at 2:00 and 8:00 p.m.; and Saturday, July 9th, at 2:00 and 8:00 p.m. Opening night of "Gypsy" is sponsored by NYNEX Yellow Pages.

Cole Porter's song-and-dance show, Anything Goes featuring the still popular songs, "You're the Top" and "I Get a Kick Out of You", will be presented on Thursday, July 28th, at 8:00 p.m.; Friday, July 29th, at 2:00 and 8:00 p.m.; and Saturday, July 30th, at 2:00 and 8:00 p.m. The book is by Guy Bolton and P.G. Wodehouse. Opening night of Anything Goes is sponsored by Howland Place.

Closing out the summer series will be 42nd Street, the song and dance fable of Broadway, which will be presented on Thursday, August 18th, at 8:00 p.m.; Friday, August 19th,

at 2:00 and 8:00 p.m.; and Saturday, August 20th, at 2:00 and 8:00 p.m. The music is by Harry Warren and the lyrics by Al Dubin. The story of a young chorus dancer who saves a new Broadway musical is based on the novel by Bradford Ropes. The book for the musical is by Michael Stewart and Mark Bramble.

All three musicals will be produced by the Zeiterion's creative team led by artistic directors George T. Charbonneau and Armand R. Marchand, along with Music Director Don Vasconcelles and Choreographer Clay James. All return for their fifth season together, having produced a sizzlin' season last summer of "They're Playing Our Song", "Cabaret" and "West Side Story".

Subscriptions are now on sale. The subscription prices for evening shows range from \$36.00 to \$48.00, and for matinee shows \$29.00 to \$41.00. Subscribers receive a 20% savings over the single ticket price; enjoy the same choice seats for all three musicals; have exchange privileges; and have the opportunity to renew the same seats for future seasons.

Single tickets will go on sale beginning May 2nd. Evening ticket prices will range from \$15.00 to \$20.00, and matinee ticket prices will range from \$12.00 to \$17.00. Special discounts for groups are also available by contacting Alan Liddell at 997-5664.

BENEFIT ORGAN RECITAL

GRACE CHURCH REBUILDING FUND

St. Thomas Church, Taunton and the Brockton Chapter of the American Guild of Organists will sponsor an organ recital by Dr. W. Raymond Ackerman at St. Thomas on Sunday, April 24th, at 3:00 p.m. The church is located at 115 High Street in Taunton.

The artist was scheduled to have given an organ recital at Grace Church, New Bedford last December. On November 29th the church was gutted by fire, and both its main organ and its chapel organ were destroyed.

Dr. Ackerman is donating his services in this recital, with the proceeds going to benefit the Grace Church Rebuilding Fund. Tickets are \$5.00 for adults and \$4.00 for seniors and children. Ticket fees are tax deductible. Tickets will be available at the door.

Dr. Ackerman of Lowell is Director of Music at Pilgrim Congregational Church in Lexington. He is a noted choral director, and has conducted

Ackerman served as the first Director of Music at Memorial Methodist Church in Taunton.

The organ which Dr. Ackerman will play at St. Thomas was built by George Jardine in 1899 to replace an earlier one which had been destroyed by fire. It has 3 keyboards, over 2,800 pipes, and has a set of festival trumpet pipes which speak antiphonally from the rear of the church. Dr. Ackerman has chosen a delightful program which includes such favorites as Bach's "Toccata and Fugue in d minor", Purcell's "Trumpet Voluntary" and Sir Arthur Sullivan's "The Lost Chord". The public is welcome to attend.

famous Big Bands such as Tommy Dorsey, Victor Lombardo and Jimmy Dorsey along with well-known artists like Bob Hope, Robert Goulet, Wayne Newton and the Lawrence Welk performers. The Skylarks, a quintet who specialize in the vocal arrangements of the Big Band Era, will join the band for some of the tunes. There will also be dance demonstrations by the DeCostas of the Dave and Marge Dance Studio, who will perform the popular dances of the Swing Era like the Jitterbug, Fox Trot and Rhumba.

The audience is encouraged to dance on the Zeiterion stage, or if they prefer they can just sit back and enjoy the music. There will also be three drawings during intermission for tickets to the Zeiterion's Sizzlin' Summer Musicals - "Gypsy", "Anything Goes" and "42nd Street".

its season with "Mary Poppins" presented by the Yates Musical Theatre on Saturday, April 30th, at 10:30 a.m. and 12:30 p.m. Fairhaven Savings Bank has been the sponsor of this year's Saturday Youth Theatre Festival. General admission tickets are priced at \$4.00 each. For more information on tickets and group packages call the Zeiterion Box Office at 994-2900.

"Once upon a time ... there was a delightful Nanny" who enchanted children with her umbrella, her antics and her imagination. This magical governess, "Mary Poppins", will delight her Zeiterion audience with her songs and magical powers.

The Yates Musical Theatre will present this childhood classic in their own special and unique musical style, following the story of the charming governess who adopts the Banks family and delights their children with her special magic.

The Yates Musical Theatre of New Jersey has performed at the Zeiterion many times. Most recently, they presented "Jack and the Beanstalk" as part of the Zeiterion's 1987 Summer Youth Theatre Festival. The Company has been entertaining audiences for over 20 years throughout the east coast. The Yates Musical Theatre aspires to present imaginative, refreshing performances with a profound respect for the intelligence of children.

The Zeiterion's 1988 Summer Youth Theatre Festival is only around the corner. Beginning in July the

take place on Thursday, April 28th. The day is free and open to the public and will feature a keynote speaker address by WJAR-TV anchor person Patrice Wood.

This year's theme is "Women Facing the Challenge: Taking Care of Ourselves", chosen because of the many roles today's women carry, according to Terry Clifford, coordinator of Women's Services at BCC. "As women we are juggling so many responsibilities around everyday that we often don't take the time out to do something special for ourselves. This can lead to stress, poor health and fatigue. We need to find ways to do something that will make our loads a little lighter, like regular exercise, developing an assertive behavior and managing our time better," said Clifford. "We hope the program will offer some guidelines to make our lives a little easier and make us happier with ourselves."

Patrice Wood will speak at 11:15 a.m. on "Taking Care of Ourselves". She has been working at WJAR-TV for 8 years and owns WKSD radio in Wickford, Rhode Island, along with her husband, who is an engineer at WJAR. Ms. Wood is a Swan-

sea resident who credits her success to having a positive attitude.

Other program elements include:

At 10 a.m. Fitness Director Susan Coken will demonstrate ways to exercise in the home that are effective, inexpensive and time saving.

At 10:30 a.m. Kathleen Dunne, owner of Dunne in a Day, will present a cooking demonstration on "cooking made easy". She will prepare an entire meal.

A free luncheon buffet will be served at 12 noon, immediately followed by a fashion show that will show women of various body types how to put a wardrobe together economically. The show is presented by Ray's Fashion in Middletown, RI. Women will learn how to dress in ways that best suit their life and body style.

At 2 p.m. the day concludes with a time management workshop presented by Patricia Darcy, skills assessment coordinator at BCC.

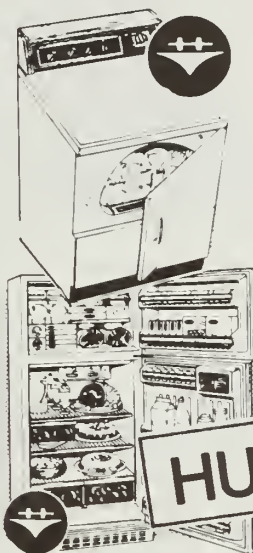

There will be music throughout the day in the brick area of the Arts Center. Some of the presentations will take place in the Arts Center Theater. For more information call the College at 678-2811, ext. 277.

Contact lenses

Some visual problems can be better corrected or improved by wearing contacts than with eyeglasses, according to the Better Vision Institute. Still they are not for everyone, and a real need for vision correction and strong motivation are important to successful wearing of contact lenses.
